Corcoran, A. C. See McDonald, R. H.
Crile, George, Jr.: Radical resection of carcinoma of head of pancreas, 28
—Subdiaphragmatic vagotomy; indications and technic, 65
—Transabdominal vagotomy versus gastric resection in treatment of duodenal ulcer (comparison of results), 264
Curare and pentothal sodium in endoscopy, 90
Curtis, G. H.: Dermatitis medicamentosa, 276
—and Netherton, E. W.: Cutaneous blastomycosis, 47
Cutaneous blastomycosis, 47

D

Dempsey, W. S., Karnosh, L. J., and Gardner, W. J.: Guillain-Barré syndrome, 206
Demyelinating diseases of central nervous system, mechanism of; therapeutic approach with anticoagulants, 153
Dental findings in hypoparathyroidism in relation to patient and progeny, 147
Depression, mental; effects of bilateral stellate ganglion on, 133
Dermatitis medicamentosa, 276
Diabetic retinitis, hemorrhagic; method of treatment based on elevation of plasma albumin by diet, 76
Dickson, J. A. See Phalen, G. S.
Diggs, L. W.: Classification of diseases or conditions characterized by hemorrhage, 188
Duodenal ulcer; transabdominal vagotomy versus gastric resection in treatment, 264

E

Edema, treatment, 20
Electroencephalography, 194
Endoscopy; curare and pentothal sodium in, 90
Ernstene, A. C. See Hewlett, J. S.
—See McGarvey, C. J.
Esophageal varices in portal hypertension; diagnosis of, 58

F

Falomir, J. M. See Hughes, C. R.
Fenestration operation; control of bleeding by induced hypotension, 159
Fistula, gastrocolic; new concept of pathologic physiology; mechanism of syndrome, 94
